**Declaration of endorsement of the Cardinal Stefan Wyszyński Institute of Cardiology
to
“The European Charter for Researchers”
and
“The Code of Conduct for the Recruitment of Researchers”**

The Cardinal Stefan Wyszyński Institute of Cardiology, represented by Director, Prof. Witold Rużyłło, welcomes and fully supports the initiative of the European Commission and the recommendations given in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

Many of those principles and requirements have already been implemented by the Institute of Cardiology. Institute recognizes the rules of the Charter and the Code as its responsibility toward scientific community.

The Institute of Cardiology will undertake measures to encourage our research units to make even a stronger commitment to the implementation of the principles of good practice presented in the Charter and the Code, especially among persons who are involved in the recruitment of future researchers.
