## **Declaration of Commitment of Secretary General of Universities, Research and Technology to the Principles "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"**

The Secretary General of Universities, Research and Technology (SGUIT) of the Regional Ministry of Economy, Innovation, Science and Employment welcomes and fully supports the initiative of the European Commission and the recommendations given in the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

By signing the principles of the Recommendation, SGUIT hopes to contribute to the general policy objectives of European Research Area, to bring research, innovation and education closer together, achieve a free circulation of researchers, scientific knowledge and technology and to drive the international competitiveness and sustainable development.

SGUIT commits itself to follow the principles laid out in the document in its programmes for the recruitment and mobility of researchers and it will subsequently promote the implementation of the Charter and the code as vital part of its commitment to excellence in Andalusia.

Mr. Francisco Triguero Ruiz  
General Secretary of Universities, Research  
and Technology of the Government of Andalusia
