Belgium

Declaration of commitment to the Recommendation of the European Commission on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers

Fróðskaparsetur Føroya
University of the Faroe Islands

The University of the Faroe Islands welcomes and fully supports the initiative of the European Commission reflected in the Commission's Recommendation on the *European Charter for Researchers and Code of Conduct for the Recruitment of Researchers* (hereinafter referred to as: the Charter & Code).

J.C. Svabos gøta 14
Postnúmer 272
FO-110 Tórshavn
Faroe Islands

By endorsing the Charter & Code, the University of the Faroe Islands recognises the value of its principles and voluntarily commits itself to applying them.

setur@setur.fo

This endorsement by the University of the Faroe Islands is fully in line with its policy aiming at making a researcher's career more attractive and at enhancing the quality of research and innovation. The signature of the Charter & Code is also a further commitment of our institution to foster international collaboration and interdisciplinary, intersectoral and transnational mobility by researchers.

www.setur.fo

By implementing the Charter & Code principles, the University of the Faroe Islands intends to contribute to the realisation of an open and attractive European labour market for researchers.
